

**1. Query raised by M/s Arunoday Construction Co. (P) Ltd.**

Sl	Clause no/Page No	Query	APFBC Clarification	Remarks
1	IFB table, Page no.3	<b>Period of completion is mentioned as 12 (twelve) months</b> from the date of issue of the formal work order. In the Contract Data, Page no. 40, the same has been mentioned as 6 (six) months.	It was a printing mistake. Please read as 12 month instead of 6 Months	
2	4.5(A)(a), page no. 8	The <b>minimum annual financial turnover in Civil Engineering construction works is mentioned as Rs.83.00 Crores</b> in at least two financial years (in between F.Y. 2011-12 to 2015-16)	For this construction work APFBC Society follow the World Bank NCB method. The Bid Document of this method is a standard bidding document of World Bank. As per the document clause no 4.5(A)(a) the contractor achieved, in at least two financial years, a minimum annual financial turnover (in all classes of civil engineering construction works only) ( <i>usually not less than two times the estimated annual payments under the contract</i> ).The estimated value of this work is Rs 41.76 Crore.	
3	4.5(A)(d), Page no.8	Herein it has been mentioned that the contractor should have executed similar <b>water supply works totalling Rs.1.37 Crore in any one year</b>	As per the document The contractor or his identified sub-contractor achieved at least 50% of the estimated value of electrical/ water supply works. i.e. Rs 1.37 Crore which was 50% of the estimated cost of water supply work	
4	4.5(A)(c), Page no.8	Herein it is stated that the contractor should possess <b>valid electrical license for executing the building electrification works including Solar System installation</b> . In this context we would like to state that we are duly registered with the Electrical Licensing Board, Govt. of Assam as Class-I Electrical Contractor from the year 2000 itself. <b>As per our license bearing no. 2455, we are entitled to execute all types of electrical installation work including Underground Cable upto 33 KV.</b> Solar System installation being a new concept was not incorporated by the licensing authority at that stage. But we assure you that we can execute the Solar System installation work of the project to the fullest satisfaction of the Department by entering into a <b>tie-up agreement</b> with a competent firm, provided your Department agrees to accept the agreement to be furnished in the technical bid of the tender.	No need to produce solar system installation license only submit the valid electrical license	

5	IFB, Page no. 3, Clause no. 16, Page no. 10 and Annexe A, Page no.47	We presume that a <b>Bid Security in the form of Bank Guarantee issued by State Bank of India, Commercial Branch, Guwahati, amounting to Rs.83,52,000/- in favour of "The Project Director, PMU, APFBC Society", with a validity period of 5 (five) months (150 days approx.) from the date of submission will suffice.</b>	Bid validity of this work is 90 days from the last date of bid submission. The bid security will valid for another 45 days beyond the validity of the bid. i.e 135 days from the last date of submission of bid
